Team Leader (m/f/d): Technical Assistance to support the implementation of the Ukraine Public Buildings Energy Efficiency (UPBEE) Framework Loan

Job-ID: V000047043  
Location: Kiew  
Assignment period: 12/01/2021 - 11/30/2027  
Field: Climate Change, Environment  
Type of employment: full-time  
Application deadline: 10/14/2021

Job description
Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a service enterprise for development cooperation with international operations and global experience. Owned by the Federal Republic of Germany, the organisation operates as a private-sector enterprise with a development policy mandate: to make sustainable improvements to the living conditions of people in the countries we operate in. The organisation’s business area - GIZ International Services - is the vehicle for offering GIZ’s services to international clients.

GIZ International Services is currently preparing to bid for the tender on the EIB funded project “Technical Assistance to support the implementation of the Ukraine Public Buildings Energy Efficiency (UPBEE) Framework Loan”

The Ukraine Public Buildings Energy Efficiency (UPBEE) framework loan aims at supporting Ukraine in implementing a rehabilitation programme that involves comprehensive refurbishment of public buildings, including integration of renewable energy measures (RE) and pandemic response measures in a large number of small and medium municipalities across the country.

Your tasks

The Team Leader (m/f/d) will be in charge of the overall management of the project in terms of priorities, content, policy dialogue, ensuring overall coherence of approach, linking with the stakeholders, ensuring adequacy to the needs the objectives and purposes of the facilities and delivering timely quality outputs.

Your profile

Qualifications and skills:

- At least University Degree in Engineering or other relevant field with a specialization in civil engineering/architecture/infrastructure/urban development.
- Fluency in English
- Working knowledge of Ukrainian and/or Russian would be an asset.

General professional experience:

- 10 years international (outside of country of residence) professional experience in infrastructure project management or implementation;
- 10 years of experience in the energy efficiency sector;
- 5 years’ experience in municipal and social infrastructure projects or programmes funded by IFIs/International organisations;
- 3 years working experience in Eastern Partnership region or IPA countries
Specific professional experience:

- 8 years’ experience in leadership field positions on projects or programmes
- Worked on at least 2 similar technical assistance projects, in Eastern Neighborhood countries, in the field of refurbishment of public buildings (installation of modern energy efficiency (EE) equipment, meters and control systems, the modernization of heating, ventilation and lighting systems, and the necessary works to increase the performance of the building envelope (facade, roof, slab insulation, basement ceilings, windows and doors replacement), design, implementation, supervision and construction
- Experience with knowledge transfer, capacity building or training to national or municipal authorities

Notes

Please note that the European Investment Bank has not yet published the detailed Terms of Reference for this project. Therefore, location, timing, tasks and requirements of this position may be subject to change.

Following the confirmation of your successful application, kindly check your spam / junk mail folder on a regular basis, since some providers classify emails from our recruiting system as spam.

GIZ would like to increase the proportion of employees with disabilities, both in Germany and abroad. Applications from persons with disabilities are most welcome.

Please send us an updated CV in EuropeAid format in English.

Our benefits

Everyone has the same opportunities in our company, regardless of gender, nationality, religion, sexual orientation or physical disability. We recruit based on specialist expertise and social skills. Transparency and fair opportunities for career advancement are just as much a matter of course for us as gender not being a barrier to taking up a management position. We are a provider of international cooperation services for sustainable development and work to build a future worth living around the world. We support projects in over 130 countries to achieve goals sustainably together with our partners. Extensive check-ups and preventive measures (e.g. on appointment, before the outward journey, during the stay in a country of assignment, in an emergency) are provided to our staff and the family members accompanying them as a matter of course. You will receive various additional benefits during your stay abroad that will depend on your country of
We reward staff who achieve their agreed annual targets with a variable remuneration component.

About us

Your professional and personal development is important to us. At GIZ, you will be offered global work opportunities and an atmosphere that is characterised by diversity, respect and genuine equal opportunities. Gender equality promotion is a matter of course for us. Our benefits are also impressive in terms of work-life balance and family friendliness. Flexible working hours that fit your life situation are an integral part of our corporate culture.

GIZ is a signatory of the Diversity Charter. Recognition, appreciation and inclusion of diversity in the company are important to us. All employees shall be valued - regardless of gender and gender identity, nationality, ethnic origin, religion or belief, disability, age or sexual orientation.

GIZ would like to increase the proportion of employees with disability, both in Germany and abroad. Applications from persons with disabilities are most welcome.
