Job description

The political partner of the project “Energy Efficiency in Morocco” is the Moroccan Ministry of Energy Transition. Other important actors are the Ministries of Finance, Industry and Interior, as well as state subordinate authorities and private sector representatives. The main activities in the project’s component “energy efficiency in buildings” are as follows: Capacity building for energy efficiency professionals for the building sector with special support mechanisms for female professionals as well as awareness raising and promotion of exchange of experience (e-learning approaches, digital information platforms). Advice on standardisation, labelling and certification of products and services and promotion of labels and certificates. Advice on setting up and coaching the implementation of digital energy management systems in public buildings and private sector buildings, taking gender aspects into account. Advice on conceptualisation, planning and implementation as well as evaluation of energy efficiency measures in selected institutions and in the service sector (action learning). Advice on access to financing (structuring bankable projects, applications for public funding).

Your tasks

- Results-oriented planning, implementation and monitoring of activities in the component energy efficiency in buildings with a focus on energy management systems and access to finance
- Expert advice and support for institutional partners from the public and private sectors on the implementation of energy efficiency measures and energy management systems including digital solutions in their buildings
- Advising building owners on access to financing for the implementation of energy efficiency measures
- Processing and communication of learning experiences in implementing energy efficiency measures in buildings
- Establish information, networking and exchange mechanisms between partners
- Mainstreaming gender aspects into the energy efficiency in buildings component
- Budget planning and monitoring as well as management of national and international service and financing contracts
- Establishing and maintaining professional networks in Morocco and internationally

Your profile

- Completed university studies in the fields of engineering, environmental sciences, economics or comparable
- Several years of relevant professional experience, preferably gained abroad, in the field of energy efficiency, especially in the building sector and on energy
management systems

- Knowledge of relevant institutions working on the energy efficiency topic in the international context
- Knowledge and practical experience with project management including results-oriented management and monitoring
- Experience in the management of external consultancies and funding recipients
- Work experience in developing or emerging countries; experience in the Middle East and North Africa region and knowledge of the Moroccan energy sector are an advantage
- Confident appearance towards political partners and high communication skills
- Business fluent in English as well as good French knowledge are mandatory, German knowledge is desired

Our benefits

Ensuring the compatibility of career, family work and care commitments is part of our corporate policy. Flexible working hours and comprehensive preparation packages for families accompanying staff abroad are two examples of the opportunities that GIZ offers its employees. Our family-friendly philosophy also includes providing support for family members in need of care., Everyone has the same opportunities in our company, regardless of gender, nationality, religion, sexual orientation or physical disability. We recruit based on specialist expertise and social skills. Transparency and fair opportunities for career advancement are just as much a matter of course for us as gender not being a barrier to taking up a management position., Your work will begin with an onboarding and preparation phase that will give you initial insights into GIZ and lay the groundwork for your upcoming assignment, establishing new contacts and building up your network., We provide opportunities for taking part in training and professional development to all our staff. Our Academy for International Cooperation (AIZ) will help you develop your skills., We are a provider of international cooperation services for sustainable development and work to build a future worth living around the world. We support projects in over 130 countries to achieve goals sustainably together with our partners., During your assignment abroad, we will largely reimburse you for the school fees incurred for sending your children to schools providing a general education., Extensive check-ups and preventive measures (e.g. on appointment, before the outward journey, during the stay in a country of assignment, in an emergency) are provided to our staff and the family members accompanying them as a matter of course., You will receive various additional benefits during your stay abroad that will depend on your country of assignment., In many places, you will receive a subsidy towards the rent on your place of residence. If you have not yet found suitable accommodation at the time of your outward journey, you will receive a subsidy to put towards your hotel costs., We have put together an extensive package of benefits for family members accompanying staff abroad, including medical check-ups, language lessons and lump-sum allowances for the outward and homeward journeys. The Academy for International Cooperation (AIZ) also offers a range of preparatory courses on local culture, history and customs and on travelling with children., We allow our staff to accrue working time credits in a long-term working time account. This credit can then be used to take a lengthy leave of absence., We offer you various part-time working models to give you flexibility in planning your working and home lives., Flexi-time and the possibility for mobile working gives staff maximum flexibility., We reward staff who achieve their agreed annual targets with a variable remuneration component.
About us

Your professional and personal development is important to us. At GIZ, you will be offered global work opportunities and an atmosphere that is characterised by diversity, respect and genuine equal opportunities. Gender equality promotion is a matter of course for us. Our benefits are also impressive in terms of work-life balance and family friendliness. Flexible working hours that fit your life situation are an integral part of our corporate culture.

GIZ is a signatory of the Diversity Charter. Recognition, appreciation and inclusion of diversity in the company are important to us. All employees shall be valued - regardless of gender and gender identity, nationality, ethnic origin, religion or belief, disability, age or sexual orientation.

GIZ would like to increase the proportion of employees with disability, both in Germany and abroad. Applications from persons with disabilities are most welcome.
